Enjoy an Evening Out...

This year's event is bound to be a blast. With live music, great food, and your help BHN will be able to continue its work with the homeless families of Birmingham. Whether it's a vacation for the family, a weekend with the boys, or a statue for your garden you will find it at the auction. Items are being donated at this very moment. Come and see for your self!

Take These Items Home...

- Sculpture "Frog on a Leaf" by Local Artist Frank Fleming.
