

Clean out your jewelry drawers and help the homeless!!!!

Any and all jewelry items that you no longer want are needed for a Birmingham Hospitality Network (BHN) fundraising project. During the month of November BHN will accept your donations of old, new, real, costume, fake, broken, knotted and even jewelry in good condition. These items will be sold at a "Jewelry Sale" with all proceeds going to BHN. Place your items in ziploc bags and call Cheryl Cobb (967-1366) for pick up or more information. (Charitable donation receipts are available for itemized donations and written appraisals are available for items valued at \$500 or more.)
